

SPRINT with RAPID LOCK™

Sprint with Rapid Lock™, the ultimate lightweight starting block top that revolutionizes performance. Our advanced wedge locking mechanism delivers an unparalleled and secure method for adjusting the foot wedge, ensuring that you are firmly locked in for explosive starts.

FEATURES:

- Compatible with all Spectrum Aquatics starting blocks and a direct match to the Xcellerator and Record Breaker.
- The lightweight design ensures the Sprint is easy to install, remove, and transport.
- Rapid Lock™ features a user-friendly large paddle lever, facilitating quick and easy foot wedge adjustments.
- Designed to be free of cables and pins, eliminating the primary failure point of starting block tops.
- Unlock your creativity with our customizations! Enjoy powder coating options and personalize your product with your logo or artwork on both the top and wedge for a truly unique touch.
- Featuring a grit overlay that offers exceptional traction without causing discomfort to the athlete's feet or hands.
- Complies with World Aquatics, USA Swimming, NCAA and NFHS regulations.
- The block top and wedge plate are constructed from 30% glass-filled polypropylene, a durable plastic, resistance to corrosion.
- The wedge structure and slide mechanism are crafted from 316L series stainless steel and UHMW.
