

Enjoy the Freedom!

Spring-assist Folding
Folds with a single lift of the seat handle.
Escape mini stands independently when folded.

Anatomical handles

Easy to adjust handle height

Freedom to go anywhere you want to go...

Escape mini is available in 20" seat height and has a compact folding system that is easy to fold with a simple lift of the release handle. This design makes it easier to lift into the trunk of a car but, as an added benefit, it also stands when folded for easy storage when not in use.

Escape mini features a large padded seat for added comfort, pressure reducing anatomical handgrips to maintain your hand strength and the easiest to apply hand brakes available on any walker.

In addition, **Escape mini** offers a depth adjustable padded backrest, spring loaded levers for easy handle height adjustment, and innovative Gentle Touch braking system. Escape turns a world of obstacles into a future of possibilities.

Standard Features

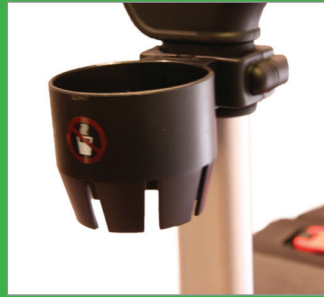

- Adjustable backrest
- Large padded seat for added comfort
- Easy to apply brakes
- Lightweight aluminum construction
- Curb climber
- Easy to navigate with 6" wheels
- Available folding shopping bag
